Funding request

The following section will ask for a summary of your funding request. A limited word count has been applied to allow for initial assessment. If invited to submit a full application, further information will be required. See the guidance document on the website for details of what else you will need to provide to complete an application.

7. Purpose of funds requested:

Please consider your aspirations for the children or young people you work with and the challenges you hope to address and include the age ranges of those you work with. The trust can make restricted or unrestricted grants which can be used for core and/or projects - please indicate levels of funds requested and how these would be used.
Maximum 1800 characters (average 250-300 words)

8. We are particularly keen to fund solutions to gaps in provision where there is demonstrable need and support coherent approaches to working together at the local level. How will or does this work respond to the needs in your area and how/will it complement existing provision?

Maximum 1800 characters (average 250-300 words)
